

That letter was
warning the
President that
Aliens were
coming to destroy
earth. The
letter was eaten
by Fred the
Spider

He got it by
sneaking into
the mailman's
bag and
stealing it.

It was 2:00
and the Aliens
were near, Fred
was caught &
was being an
Alien sacrifice

After,
that again
all was peaceful.

It was Addressed
to the
President.

All was peaceful
in the little
town of Birch
Wick, until the
year of 1989,
when a very
important letter
went missing.
